WELCOME ABOARD!

Dear Rider:

Your choice to ride WTA provides real benefits to our community. Every trip you take helps decrease traffic on our roadways and reduce greenhouse gas emissions in the environment. Chances are your transit trip also includes some walking, so it adds a little physical activity to your day. If you're leaving a car at home, you're also saving on fuel, as well as the costs that come with regular "wear and tear."

We thank you for riding with us.

Our job is to provide you with safe, reliable and friendly service. How are we doing? Please let us know, by emailing comment@ridewta.com, or by calling (360) 715-4500.

We look forward to hearing from you.

Sincerely,

Peter Stark

General Manager

Whatcom Transportation Authority

WHAT'S NEW

Route 27 Ferndale

We've made a small change to Route 27 in Ferndale. This change will bring riders a little closer to Ferndale's new public library on Main Street. See page 48 for the revised map.

Route 331 Update

Last February, we made some changes to our schedule in an effort to keep Route 331 running on time. We're happy to say that it's working! While things like traffic congestion and construction can still slow us down at times, we've been able to greatly increase the number of trips that arrive on time.

Thank you for your cooperation.

Strategic Plan

WTA has just begun a Strategic Planning process. This plan will help us make decisions about the bus service we offer in the coming years. As part of this process, we'll conduct a thorough review of the following:

- Our existing bus service
- Unmet needs for bus service
- How our communities are growing, for example new destinations and areas of residential or commercial development

We'll be gathering input from riders, drivers, our key partners and others in our community. Here are some of the ways you can provide input:

- By attending a community event. We'll advertise events with Rider Alerts on the bus and at www.ridewta.com
- By visiting our www.ridewta.com, and a special website created especially for the Strategic Plan (find a link at www.ridewta.com)

We look forward to hearing from you.

SERVICES AT A GLANCE

Here is a summary of the types of services we offer.

Fixed Route

Fixed routes provide service to designated bus stops using large transit buses. For route and schedule information see pages 20-101, call (360) 676-RIDE (7433), or use the online trip planner at www.ridewta.com.

Flex Service

Routes that offer flex service serve bus stops on a regular schedule, and can also “flex” off-route within the flex service area. Advance reservations are required. See pages 114-117 for more details.

Paratransit

Paratransit service provides curb-to-curb minibus service for people whose disability prevents them from riding fixed route buses.

You must qualify and be approved to ride. For eligibility information, or to schedule a ride call (360) 733-1144. See pages 112-113 for more details.

Zone Service

Zone service provides limited transit service to rural areas of Whatcom County. There are no eligibility requirements for using zone service; anyone within the designated area can request a ride. Service is only available to each zone on certain days of the week. See pages 114-117 for more details.

Vanpool

The vanpool program allows groups of commuters to “lease” a WTA van on a regular, ongoing basis. Fares are based on the number of daily round-trip miles and cover all expenses, including fuel, insurance, maintenance, etc. For more information on vanpooling, see page 118.

Rideshare

Rideshareonline.com serves all counties along the I-5 corridor. See page 118 for more information.

THE GO LINES

GO = Every 15 Minutes

WTA's GO Lines offer service every 15 minutes on weekdays along four major corridors in Bellingham.

Use the guide below to find maps and schedules for routes serving our GO Lines.

BLUE LINE

The BLUE Line offers service between Downtown Bellingham and Bill McDonald Parkway via WWU. See pages 20-21.

GREEN LINE

The GREEN Line travels between Downtown Bellingham and Whatcom Community College via Dupont, Elm, Northwest and Bakerview. See pages 22-23.

GOLD LINE

The GOLD Line offers service between Downtown Bellingham and Whatcom Community College, with service to Sunnyland Square, Barkley Village, Sunset Square and Bellis Fair Mall along the way. See pages 24-25.

RED LINE

The RED Line travels between Downtown Bellingham and Fairhaven along the Boulevard. See pages 26-27.

HOW TO RIDE

Here are some quick tips for first-time riders:

- Arrive at your bus stop a few minutes early.
- If you have a bike, place the bike on the rack before boarding the bus. See pages 110 and 111 for details on how to load your bike.
- Board the bus at the front door. Exit the bus at the rear door.
- Have your fare or pass ready as you step on the bus.
- You'll need exact change as drivers do not carry cash.
- Drop coins in the small slot in the top of the box by the driver or insert your bill into the feeder.
- Pull the cord to let the driver know you need to get off at the next stop.
- If you are unsure which stop you want, the driver will be happy to help you.

WWU STUDENT BUS PASS

A new bus pass needs to be encoded on your Western ID card for each Academic Year and Summer Quarter.

Who's Eligible

To be eligible for a WWU bus pass you must:

1. Be registered for at least one qualifying university credit
2. Have the Transportation Fee placed on your student account

The Transportation Fee is automatically placed on your account when you register for 6 or more credits.

Students registered for 1-5 credits can have the fee placed on their account by completing an "opt-in form" at the Western Card office.

Where to Get It

- The Western Card Office is located in Wilson Library 165 and is open Monday through Friday, 8:30 am – 5:00 pm while school is in session, including summer session.
- Have your Western ID card with you for encoding.

When It's Valid

Academic Year: available and valid for use the week before the first day of fall quarter classes, through the week following final exams in June.

Summer: available and valid for use the first week of summer classes until the new academic year pass becomes available in September.

The bus pass only works while there is a Transportation Fee on your account. University Fees are removed automatically when a student drops below 6 credits.

For more information go to www.wwu.edu/transportation.

WTA Shuttles

WTA is committed to getting all students to campus before the top of the hour, when most classes start. WTA runs many extra buses (shuttles) throughout the day, to and from WWU. Most of these are not listed in the Transit Guide because they are subject to change.

If buses are already full, they may pass by stops on Indian St. or Bill McDonald Parkway without stopping. Please be patient—additional buses will be coming shortly.

WWU Late Night Shuttle

WWU offers a Late Night Shuttle for Western students only, funded by the Student Transportation Fee. A valid Western Card is required to board. The Late Night Shuttle is not affiliated with or operated by WTA. For schedule information go to www.wwu.edu/transportation.

For Park & Ride information see pg 119.

ACCESSIBILITY

Wheelchair Accessibility

All WTA buses are wheelchair accessible. Anyone who needs to use the wheelchair ramp may do so at any bus stop where the ramp can be safely deployed. WTA cannot guarantee there will be an accessible path of travel to and from all stops. We advise riders who use wheelchairs to preview their route of travel before using a new stop.

Alternate Formats

This Transit Guide, and all of WTA's primary public information materials, are available in alternate formats, such as Braille or large print. Call (360) 676-RIDE (7433) for more information.

NON-DISCRIMINATION

Non-Discrimination

WTA provides services and employment on a non-discriminatory basis, and complies with Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act, and the Americans with Disabilities Act of 1990.

Title VI

WTA complies with Title VI of the Civil Rights Act of 1964 which states:

"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participating in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance."

If you believe you have been discriminated against by WTA on the basis of your race, color or national origin, you have the right to file a complaint with WTA. A complete description of the complaint procedure is available at Bellingham Station or by calling (360) 676-7433.

HOLIDAYS

There is **no bus service** on the following holidays:

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

SNOW DAYS

WTA buses may be delayed or detoured when the roads become slippery. For up-to-date information, follow us on Twitter @ridewta, or call (360) 676-RIDE (7433). For alternate snow routes see www.ridewta.com.

STROLLER AND PET POLICIES

Strollers

When travelling with a stroller, your child and any parcels must be removed. The stroller must be folded and stowed between seats or under your seat before the bus departs. The stroller must not protrude into the aisle or present a tripping hazard.

While the bus is moving, strollers must remain folded, placed securely out of the aisle and within reach.

Pets

Pets are allowed on our buses provided they travel in a secured, enclosed pet container.

SAFETY AND SECURITY

SafeWatch

Think of every WTA bus as a safe haven and your link to any local emergency service. You can signal a bus to stop for an emergency by crossing your arms over your head and waving your arms.

Remember: only use this method of stopping a WTA bus for an emergency.

WTA operators are trained to identify emergency situations and suspicious criminal activity. In addition, WTA works directly with law enforcement officers whenever they can help.

Don't Touch Unattended Items

If you see unattended bags, boxes or other items tell a WTA employee or call (360) 676-7433 from a safe distance.

EMERGENCY RIDE HOME

Who can use it?

The Emergency Ride Home program provides you with a free taxi ride for an emergency if:

- You have a current WTA bus pass (not including day passes or 11-for-\$10 Ride Tickets), or you are a registered Smart Trips participant, **and**
- You arrived to work (on the day of the request) by bus, vanpool, carpool, bicycling or walking.

Eligible participants can receive up to three Emergency Rides Home per calendar year.

When can you use it?

- You or a family member becomes sick during your work day
- Your supervisor requires you (unexpectedly) to work past your normal quitting time
- Your carpool or vanpool driver experiences either of the above situations

Hours of Operation

Monday - Friday: 8:00 am - 8:00 pm

Call **(360) 676-RIDE (7433)** for more information or to book your ride.

LOST AND FOUND

WTA is not responsible for lost or stolen items.

However, drivers do take "found" items to the Customer Service Office at Bellingham Station. Stop by or give us a call at 676- RIDE (7433).

BIKES ON BUSES

How does it work?

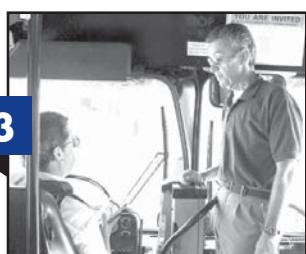

1

Step 1 Pull up on the handle to release. Carefully lower the rack with one hand while holding your bike with the other. After lowering the rack, follow the instructions on the rack where it says to "Place the front wheel here" and lift your bike into one of the bike wheel wells. Even with one or two bikes already on the rack, it is easy to load or unload a second or third bicycle.

2

Step 2 Pull the support arm up, out and over the front tire as high on the tire as it will go. This secures your bike in place.

3

Step 3 Before you get off the bus, be sure to tell the driver you are unloading your bike!

4

Step 4 To unload the bike, pull the support arm up and off the tire. Pull your bike off the side of the rack, toward the curb. If your bike is in back, you do not need to remove the bikes in front. Return the bike rack back into standing position if no other bikes are on the rack.

SAFETY TIP: When you get off the bus, remind the driver that you'll be removing your bike from the rack. Once your bike is removed, move to the curb side of the bus. Never ride out in front of the bus.

What kind of bikes are allowed?

Single seat, two wheeled bikes are allowed. Both wheels must fit into the bike rack wheel slots and the support arm/hook must fit over the top of the bike wheel. No part of the bike can block the driver's view. Tandem, three wheeled, or motor-driven bikes are not allowed.

What about collapsible bikes?

Collapsible bikes are always allowed inside the bus, provided they fit in the space underneath the seat or in between the seat rows.

What if the bike rack is full?

Unfortunately, WTA cannot guarantee space to rack your bike. Bike racks are first come, first served. For trips where a bike and bus are both needed, a collapsible bike is recommended.

Can bikes be transported inside the bus?

Bikes cannot be transported on small buses (29 feet or shorter). On large buses, if space allows and safety permits (as determined by the driver), a maximum of two bikes may be allowed on board.

WTA assumes no liability for injuries to persons, or damage to bikes or personal property while using bike racks or securement stations.

When bikes are allowed inside the bus, the following rules apply:

1. Seating for passengers will always take priority over space for bikes.
2. Bikes must be properly secured in the designated wheelchair securement station.
3. The driver can determine whether or not the bike is secured properly.
4. If a rider in a wheelchair is occupying the designated wheelchair securement station, the bike will not be allowed on board.
5. If either the wheelchair securement station or seating in the securement area is needed by a rider mid-journey, the bike will need to be removed. If there is no room to move the bike onto the bike rack, the rider must get off the bus (with his / her bike).
6. Bikes will not be allowed to protrude into the aisle way.
7. Bikes already secured inside the bus may remain inside even if space becomes available on the exterior bike rack.
8. Muddy or greasy bikes are not permitted inside the bus.

PARATRANSIT

WTA offers paratransit service within 0.75 miles of all fixed routes. Paratransit service is for people whose disability prevents them from using fixed route service.

Who can ride?

You are eligible to ride paratransit if your disability prevents you from:

- traveling to or from fixed route bus stops
- getting on or off an accessible fixed route bus
- riding or navigating the fixed route system

Everyone who rides paratransit must qualify and be approved before riding.

Call **(360) 733-1144** to apply for eligibility.

What service is provided?

Eligible riders call (360) 733-1144 to request rides. Rides can be for any trip purpose, including shopping, recreation, church or medical appointments. Paratransit provides curb-to-curb service.

If you need extra assistance from the driver between the door and the bus, please request door-to-door service when you reserve your trip.

Paratransit is not individual transportation. Whenever possible, we combine trips in order to serve as many passengers as possible.

How much does it cost?

The paratransit cash fare is \$1.00 per ride. If you are a regular rider, a bus pass can save you money. WTA's paratransit monthly pass is \$13; a quarterly pass is \$35. Adults 75 or older ride FREE.

If you are eligible for paratransit service, but can ride fixed route buses for some trips, you can obtain a pass that allows you to ride fixed route buses for FREE.

What are the hours of service?

Hours of service vary depending on your starting point and your destination. Paratransit service areas mirror our fixed routes, so the service hours available in a given area depend on the fixed route hours of service offered there.

The following guidelines generally apply:

- On weekdays, service is available in most areas from about 6:00 am to 7:30 pm.
- Saturday service is available in many areas from about 9:00 am to 6:30 pm.
- On weekdays and Saturdays, later service is available in a few areas, as late as 10:30 pm.
- Sunday service is available in limited areas, from about 8:00 am to 8:30 pm.

For information regarding service hours for a specific trip, call (360) 733-1144.

FLEX & ZONE SERVICE

WTA operates flex service and zone service in the rural parts of Whatcom County. There are no eligibility requirements; these services are open to everyone.

Flex Service

Routes that offer flex service serve bus stops on a regular schedule, and can also "flex" off-route within the flex service area. Advance reservations are required.

Flex service connects people in three parts of Whatcom County with Bellingham, and locations along the way. Flex service is offered on the following routes:

- 1) Rt **55** Blaine/Birch Bay via Ferndale Station to Cordata Station. See pages 56-57.
- 2) Rt **71X** Everson/Nooksack/ Sumas to Cordata Station. See pages 60-61.
- 3) Rt **72X** Kendall via Mt. Baker Highway to Bellingham Station. See pages 62-63.

Zone Service

Zone service provides residents of rural Whatcom County with limited service to Cordata Station and Bellingham Station.

There are no eligibility requirements; the service is open to everyone. Service to each zone is only offered on one or two days per week. See the map on pages 116-117. Note that zone service does not include the corridors highlighted in green: these are corridors served by our paratransit service.

Reservations

Flex service reservations must be made at least two hours before the requested bus is scheduled to depart. Or for morning service, by 5:00 pm the day before.

Zone service reservations are required no later than 5:00 pm the day before you ride.

Since seating is limited, we recommend calling a day (or up to a week) in advance.

Wheelchair Accessibility

Fares for flex service are the same as those for fixed route. See page 8 for details.

Zone service costs \$1 per ride. Passes are not accepted.

Riders who are eligible for paratransit service may also use flex service or zone service. Connections to paratransit at transit stations can be scheduled in advance by calling (360) 733-1144. See pages 112-113 for paratransit guidelines and more information.

Cancellations and No-Shows

If your plans change and you do not need your ride, please call to cancel at least one hour before your earliest pickup time. WTA enforces a no-show policy. If you habitually no-show, we can temporarily suspend you from service.

VANPOOL PROGRAM

WTA manages a fleet of passenger vans for vanpooling. These vans are leased to commuter groups who pay a fare based on monthly travel distance and the number of passengers. Fares cover all fuel, maintenance, insurance and vehicle costs.

WTA provides support services for vanpool group formation, vehicle maintenance and driver orientation.

Vanpooling offers commuters a great alternative to driving alone. Vanpoolers find they can get to work much more economically because they share the costs of driving with other passengers. Vanpoolers also gain extra time each day, and arrive at work without the stress of dealing with traffic and parking.

Call (360) 676-7433 for more information.

RIDEShare

RideshareOnline.com is a regional project managed by Washington State Department of Transportation. It can provide matches for your daily commute to work, as well as one-time trips to special events like football and baseball games.

You choose how much personal information to share. You can find a carpool partner without using your home address, for example, by using a local corner or park and ride lot as your starting point.

For more information visit www.RideshareOnline.com.
